

Belle Swingers Square Dance Club

Fast
Advanced Class

Wednesday Evenings in Sunnyvale

Starting 27 May 2009

This is an accelerated class intended for dancers who already dance Plus well and who are ready and willing to learn new calls at a pace much faster than a typical class.

Knowledge of all calls from Basic, Mainstream, and Plus will be assumed.

Regular attendance is expected.

Students may be asked to study written materials either for preparation or review.

Previous experience with APD (all position dancing) is highly recommended.

This class is also suitable for former Advanced dancers – people who once knew all the Advanced calls but who need a review to get back up to speed.
