Advanced Class

Free Intro Nights – 10, 17, 24 October 2012

This class is intended for current Plus dancers who want to learn Advanced* for the first time, as well as for anyone who has danced Advanced in the past but wants a complete review.

We are offering three free intro nights -- 10, 17, and 24 October. In these sessions we will introduce a number of Advanced calls, as well as review some Basic, Mainstream, and Plus calls from the perspective of the Advanced program. The only prerequisite for these sessions is sufficient knowledge of and experience with Plus. We will be covering a somewhat different list of topics each week, but each intro session will cover what you need to know for that session, so you can come to any of them or all three.

Regular class sessions will start 7 November. From that point on, since we will be building each week on what we did previous weeks, regular attendance will be expected. Students may also be asked to do a limited amount of "homework" (e.g., reading call definitions) in preparation for each session.

This class is open to singles, couples, and families -- you do not need to come with a partner.

We dance at Las Palmas Park, in Sunnyvale, near the intersection of El Camino Real and Hollenbeck Avenue. For more detailed directions and links to popular map services, visit our web site.

Belle Swingers Square Dance Club
Callers: Joe Dehn, Mary Gingell, Bill van Melle
