A-2 Class / Workshop

Wednesdays starting 27 May 2015

For current A-1 dancers, for current A-2 dancers who are looking for additional workshopping on the A-2 calls, and for anyone who has danced A-2 in the past but would like some practice to refresh their memory.

PREREQUISITES

This class assumes knowledge of the A-1 list*. Dancers who have not previously danced A-2 should plan to attend regularly to build their vocabulary – as the summer progresses, knowledge of calls covered earlier will be assumed. Dancers who already know all the A-2 calls may attend as often as they like for practice / workshopping.

In addition, dancers should of course also be able to execute all the calls from the Basic, Mainstream, and Plus lists, and have at least some experience with APD/DBD.

Keep in mind that being successful at Advanced also involves considerable use of certain skills that are less critical at Plus and below, such as being aware of your position in a formation (center vs. end, leader vs. trailer), knowing left from right, keeping your formations neatly oriented and lined up, and dancing calls confidently without depending on or waiting for others to complete the call first.

*If you aren't sure whether you know/remember the A-1 calls, please review the pages at: <http://www.dehnbased.org/sd/tutorial/tour-a1.php> That should give you a pretty good sense of where you stand.

Belle Swingers is open to singles, couples, and families – you do not need to come with a partner.

We dance at Las Palmas Park, in Sunnyvale, near the intersection of El Camino Real and Hollenbeck Avenue. For more detailed directions visit our web site.
